Urgent! Contact Senator Klobuchar before the Hearing Thursday!

Stop the Grocery Manufacturer's amendments on GMO Labeling

Our colleagues at Organic Consumer's Association send this message: "CALL TODAY! Please call Sen. Klobuchar at 202-224-3244 to ask her to reject Sen. Roberts' DARK Act and any compromise that would block or delay Vermont's GMO labeling law. Tell her that the GMA's SmartLabels are an unacceptable replacement for the on-package GMO labels that consumers need to make informed decisions. If we're going to stop the DARK Act and Sec. Vilsack's Monsanto- approved [SmartLabel](#) "compromise," we need Klobuchar on our side. And we know that phone calls work better than emails, so please call her today at 202-224-3244!"
