

NATIONAL HEALTH FREEDOM ACTION

Urgent Action Needed NOW for GMO-Labeling!

Bills across the country are now up for debate and votes! Send your message today! Vermont did it last session. Now let's keep going! Help turn the dream of informed, voluntary decision-making about eating GMOs into reality. Click NOW on your state below to support and require GMO-labeling. The urgency for the right to know of GMOs in our food is heightened as even our basic fruits are being genetically modified with the approval of the **first GMO apple on February 13**. Tell your legislators why you advocate for GMO-Labeling! Stand up for your right to make informed choices about your family's diet - whether it includes no GMOs, a few GMOs, or all GMOs.
