

NATIONAL HEALTH FREEDOM ACTION

February 15, 2013

Health Freedom Action Needed

1. STOP restrictive and monopolistic state licensing bills

- Illinois:** Oppose **SB 1186** Doctor of Naturopathic Medicine licensing bill
Arkansas: Oppose **HB 1011** Naturopathic Practitioners bill
Maryland: Oppose **HB 1029** Naturopathic Doctor licensing bill
New York: Oppose **SB 2954** Reflexologist Practitioner licensing bill

Four important state bills, **Illinois SB1186, Arkansas HB 1011, Maryland HB 1029, and New York SB 2954**, attempt to license a small group of practitioners at the expense of other natural health care practitioners. The bills do not provide adequate protections for the right of other natural health to practice. These bills would jeopardize numerous natural health practitioners and businesses. **Take Action Here**

2. LEARN ABOUT other licensing bills that CONTAIN SAFE HARBOR PROTECTIONS for many natural health practitioners.

- Illinois:** **SB 1186** Licensing of Colon Hydro therapists with an exemption for natural health care practitioners. Read More:
Colorado: **SB 151** Licensing of Massage Therapists with a broad exemption in for bodywork and alternative forms of touch.
Colorado: **HB 1111** Licensing of Naturopathic Doctors with a safe harbor protection of the right to practice for unlicensed natural health practitioner.
Pennsylvania: **HB 612** Licensing of Naturopathic Doctors with a safe harbor protection of the right to practice for unlicensed natural health practitioner.

Hawaii: Herbal...no exemption...but in discussion
