

# On 15 – 17 September, Prague will become the world center of traditional, complementary, integrative and alternative medicine (TCIM).

## Prague will be the venue of the 3rd World Health Congress 2023 Prague [www.whc2023prague.com](http://www.whc2023prague.com)

The Congress is intended for TCIM and conventional medicine experts, and also for the general public.  
This year's motto:

**Accomplishments and current trends in TCIM for the 21st century – Cultural heritage of the past for the future.**

The partners of the Congress are important multinational institutions such as EUROCAM, SALUS, European Ayurveda Association (EUAA), the co-organizer is ANME – the largest European association for natural medicine.

The time has come to open mutual and serious collaboration of all disciplines, Prof. MUDr. Julius Špičák, CSc., member of the Parliament of the Czech Republic and globally recognized gastroenterologist, took patronage of the Congress. The event will be also held under the auspices of the Capital City of Prague.

The participation of prominent TCIM personalities from around the world - USA, Australia, Canada, Europe, India - is already confirmed, other representatives of pan-European and world associations and leading universities such as Cornell University and the University of Cambridge will also participate

The venue of the congress - Prague - is the historical centre of Europe. One of the first universities was founded here by King Charles IV. The history of Europe has passed through Prague since the early Middle Ages until the present day. Prague Castle is the largest castle complex in the world. Prague has been on the UNESCO World Heritage list since 1992. It is considered the most beautiful city in the world.
